

# Columbia Support Systems

The Columbia Support System makes use of the Integrated Fold-down Arm Supports, now available with the Palma Vita, allowing the system to be taken on and off easily without the use of tools.

The Columbia comes in two versions: Hi-Back and Lo-Back.

- Hi-Back Large – for children aged 10 years +
- Hi-Back Extra Large – for ages 15 years to adult
- Lo-Back Large – for junior adults
- Lo-Back Extra Large – for adults

Either the Touch Sensitive Hand Switch or Remote Control is required when using a Columbia and consideration must be given to correct douche option. Clos-o-Mat always recommends a site survey visit.
